**“Harvard Managementor”
Management Development Webinar Series 2010**

Leaders provide the tactical route for their teams. They prepare and empower them to develop plans and achieve goals together. Leaders need to possess the skills and passion that engage and connect followers in ways that move them to higher performance levels. In uncertain times the challenge is more acute.

The Harvard Manage Mentor online-programmes are tactically positioned to improve the management and leadership skills needed to address the challenges of these times.

Managers will have access to the Harvard Managementor online toolkit. This is the most practical, engaging resource for developing management skills and applying them on the job immediately.

This toolkit includes:

- ✓ **42 Management Skills development Modules; 200+ interactive learning activities**
- ✓ **Audio downloads for mobile devices; 125+ executive perspectives**
- ✓ **Optimized content and navigation; 350+ video elements**

This is combined with web-based workshops of the six modules identified in the schedule below. These are delivered by four of the Caribbean’s best leadership facilitators.
